

Adesso360:

The Powerful FFCRA Platform That Helps You & Your Members Earn More

What is FFCRA?

The Families First Coronavirus Response Act (FFCRA) is a federal law (Public Law No. 116-127) that was enacted to assist people impacted by the pandemic by providing paid leave and other benefits. As part of the American Rescue

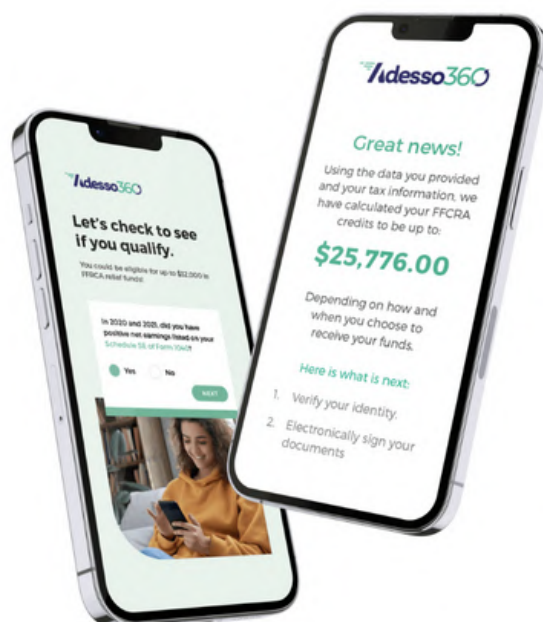

Plan Act of 2021, FFCRA was extended to include self-employed individuals. **Specifically for self-employed individuals, the FFCRA provides up to \$32,220 in refundable tax credits for emergency paid sick leave and expanded family and medical leave.**

What is Adesso360?

Adesso Capital has created the first automated tool for self-employed individuals to recover the critical funds they need to receive their FFCRA tax credits.

Using a series of easy qualifying questions, Adesso360 is able to determine eligibility, calculate tax credits, and file completed FFCRA applications directly to the IRS.

We created Adesso360 because working for yourself doesn't mean you're alone.
